

11"

10"

This color reference guide is for a 11"x12" Tabloid. The purple box in this layout designates the live area or safe area to print within, meaning any images or type that you don't want cut off will need to be within this box (this includes page numbers and titles).

The light green area is the non-image margin, anything that prints in this area is subject to being cut off on press.

= live area of 10"x 11"

= non-image margin .5" from edge
